## **Radiant Profile**

*Radiant Maritime was established in 2008 as an agency for Liner and Feeder principals at West Coast Ports of India. Since inception, Radiant Maritime has been innovative, developing and expanding from a Shipping Agency into a Logistics organization.*

*Today, Radiant Maritime is one of the most dynamic and fastest growing Shipping and Logistics organizations having PAN India presence with over 100+ dedicated employees. We represent multiple container agencies, operating in the Persian Gulf, Indian Sub-Continent, South East Asian corridors, and have logistics operation encompassing all continents, through our network of agents.*

*Our extensive range of logistics services includes Liner Agency, Vessel Husbanding, ODC / Project Cargo Handling, International Freight Forwarding, ISO Tank agencies, CIS Trade & Consulting.*

*At Radiant, our motto is to provide out of box solutions for the box-trade, delight customers, create value for our vendors and team members.*

## **Liner Agency (Dry and ISO Tanks Containers)**

*RMIPL represent multiple Principals (Container & ISO Tank Operators), operating in the Persian Gulf, Indian Sub-Continent, South East Asian corridors, Europe, China and have logistics operations encompassing all continents, through our network of agents.*

*We strive to excel commercially & operationally to reach growing targets by safe guarding Principal / Agents interests at all times.*

*We endeavor to keep a close business relationship with major industries, trade associations and chambers of commerce to explore potential opportunities.*

## **ODC & Project Cargoes:**

*Over the years, RMIPL have managed numerous high value ODC & Project cargoes involving storage, transshipment and transportation, offering our customers world-class Project Cargo services at economic costs.*

*Our team of project professionals offers innovative, customized and technical solutions for heavy and complex cargoes complying with regulations for quality, safety and security.*

*With our wide range of project logistics capabilities, we have special focus and unique capabilities in managing cargo of various industries.*

## **Ship Husbanding**

Ship husbanding was the first business which RMIPL carried out during inception. Over past few years we handled numerous container vessels at West & South East Coast of India for our feeder principal FAR SHIPPING PTE LTD., Singapore.

At RMIPL, our team of professionals can perform any service in connection with Ship's Agency handling work such as acting charterers / owner protecting agent, cargo sourcing, fast turnaround of ship during port call, crew sign on / sign of, bunkering, medication & hospitalization, ship spares and provisions supplies.

## **International Freight Forwarding**

With ever changing global market place and the increasing competition, we provide our clients & network partners with an edge in costing for sea / air freights to various sectors thru our own office network across Pan India.

RMIPL provides one-stop shopping to multinational manufacturing, distribution, and trading companies with unsurpassed reliability for door-to-door global ocean cargo transportation.

We have strong penetration into niche markets such as CIS countries, Inland destination of Iraq, Iran, Pakistan and Afghanistan. We are specialized into Marine spare parts – Clearance, forwarding and onboard delivery services across most of major & minor – sea & airports in India.
